Dear Mr. Wiberg:

Pursuant to Minnesota Statute Section 151.47(f), SmithKline Beecham Corporation, d/b/a GlaxoSmithKline (GSK) hereby submits to the Minnesota Board of Pharmacy the 2006 payments, reimbursement or other compensation paid by GlaxoSmithKline to individual practitioners which totaled \$100 or more, and which are described in Section 151.461(3) to (5) of the statute.

The attached report reflects payments made by GlaxoSmithKline's U.S. operations to Minnesota practitioners for consulting services and services provided in connection with educational programs. GlaxoSmithKline has arrangements with foundations, universities, contract research organizations and other business entities to conduct research or provide information under which payments may be made by such institutions to Minnesota practitioners. Compensation to Minnesota practitioners in these cases is not from GlaxoSmithKline; therefore, payments to these entities are not reflected on the attached report. Similarly, the report does not state payments to sponsors of independent medical conferences, continuing medical education programs, professional meetings or other educational programs, where GlaxoSmithKline may provide funds through a grant to an organization, but does not pay a practitioner (e.g., unrestricted educational grants).

Although the Minnesota law states that the reports are public data, GSK considers the information in this report to be confidential and propriety information. GSK does not publicly release this information or the company documents that were used to create this report. Further, release of the entries in this report or the aggregate information in this report may give GlaxoSmithKline's competitors information that may undermine its relationship with its contractors and consultants and enable competitors to gain a business advantage.

If the Minnesota Board of Pharmacy has any questions regarding this letter or the information contained in our report, please contact Michelle West at (215) 751-6526.

Sincerely,

Arjun Rajaratnam
Vice President & Compliance Officer - US Pharmaceuticals
