RE: Solvay Pharmaceuticals, Inc.  
Unimed Pharmaceuticals, Inc.  
Drug Manufacturer Payment Report  
Calendar Year 2006

State Board:

Enclosed is the 2006 schedule of reportable payments made to Minnesota practitioners by Solvay Pharmaceuticals, Inc. and its subsidiary, Unimed Pharmaceuticals, Inc.

The majority of expenses reported relate to expenditures for meals in connection with presentations. In determining whether expenditures are reportable and the amount included in this report, some limitations of our data may result in over-reporting of payments. The expenses of a program are averaged over the number of attendees in order to determine if the expense exceeds the \$100 reporting threshold. In some instances, our data does not include details of non-practitioner attendees, which causes higher average cost per attendees and potential over-reporting of expenses. We are working to enhance our data collection to better reflect the cost in future reporting periods.

If you have any questions regarding this report or our methodologies, please contact me at your convenience. I may be reached at 770-578-5246.

Adam Roy
