RE: State of Minnesota Payments to Practitioners – Forest Pharmaceuticals 2007 Annual Report (Supplemental)

Dear Dr. Wiberg:

Enclosed please find Forest Pharmaceuticals supplemental report identifying all payments, honoraria, reimbursement and other compensation to individual practitioners during calendar year 2007 in accordance with Minnesota statute § 151.47(f). Please note the enclosed report reflects supplemental 2007 information of which Forest has become aware subsequent to its original report; this supplemental filing demonstrates Forest's good faith effort to continue to accurately report all payments made to individual healthcare practitioners in Minnesota by Forest pursuant to § 151.461 (3) to (5) of the statute. This supplemental report replaces our original report submitted May 2008.

Although Minnesota law states that the reports are public data, Forest considers this cover letter and all reported data proprietary business information and confidential in all material respects.

Be assured Forest takes its compliance operations and corresponding reporting responsibilities very seriously. We continually seek improved methods of capturing quality data and strive to implement best practices across all compliance functions.

If you should have any further questions or comments, please do not hesitate to contact me.

Sincerely,

C.D. Glidewell
Senior Vice President - Finance
