**Re: Minnesota Expense Reporting Statute 151.461  
Novo Nordisk, Inc. Calendar Year 2006 Annual Filing**

Dear Dr. Wiberg,

Pursuant to Minnesota Statute section 151.461, clauses (3) to (5), attached please find Novo Nordisk Inc.'s annual report, to the best of our knowledge, identifying payments, honoraria, reimbursement or other compensation made to practitioners in Minnesota which totalled \$100 or more during the period January 1, 2006 through December 31, 2006.

Novo Nordisk is committed to providing the most complete and accurate information. We have recently assessed and enhanced our processes for capturing and gathering the required information, and have put systems in place to ensure that our calendar year 2007 report is filed timely.

Novo Nordisk supports independent medical education activities, research, medical scholarships, and community-related health activities through institutions that may select and compensate a Minnesota practitioner. Because Novo Nordisk does not compensate the Practitioner directly, these payments are not included in the attached report.

We understand that reports filed under this provision of the Minnesota law are public data. However, Novo Nordisk considers this information to be confidential and proprietary and request that the State maintain this information as confidential.
