Dear Sir or Madam:

Pursuant to Minn. Stat. Ann. § 151.47(f), enclosed please find the Shire Pharmaceuticals Inc. (“Shire”) report of payments, honoraria, reimbursements and other compensation paid to practitioners in Minnesota during the calendar year 2007.

Shire markets drugs to treat diseases and conditions across a variety of therapeutic areas. Shire communicates information about its drugs to healthcare professionals and consumers through advertising and promotion consistent with all laws and regulations governing that advertising and promotion. Shire has endeavored, to the best of its ability, to gather all information about prescribers to whom Shire provided payments, honoraria, reimbursements and other compensation paid to practitioners in Minnesota during the time period called for by Minnesota statute. Our review of these items was multi-level and diligent, but should we become aware of additional reportable items, we will promptly supplement this report.

Please do not hesitate to contact me directly with questions or concerns.

Sincerely,

A handwritten signature in blue ink that reads "Caroline H. West".
