Re: Alharma Inc. Annual Report for Calendar Year 2008 Required Under Minnesota Stat. Section 151.461, Clauses (3) to (5)

Dear Sir or Madam:

In accordance with the State of Minnesota Board of Pharmacy reporting instructions, please consider this letter and the attached State of Minnesota Payments to Practitioners Reporting Forms as Alharma Inc.'s ("Alharma") Annual Report for calendar year 2008. On December 29, 2008 King Pharmaceuticals ("King") completed its acquisition of Alharma. As a result, King personnel compiled the data and information associated with this report. King personnel interviewed legacy Alharma employees to determine areas of reportable expenses and to determine vendor(s) from whom to request information. This report is limited to the knowledge that King was able to obtain from available Alharma records.

As stated in the attached Report, to the best of its knowledge, Alharma does not have any payments, honoraria, reimbursement or other compensation paid to practitioners in Minnesota during calendar year 2008 that is required to be reported under Minn. Stat. Section 151.461, Clauses (3) to (5).

Should you have any questions, you may contact me at (423) 274-8651.

Regards,

Randy Sharrow
