Background Information and Instructions: Minnesota Statutes require wholesale drug distributors and manufacturers to file with the Board of Pharmacy an annual report identifying certain payments made to practitioners. (Practitioners are those licensed health professionals who are authorized to prescribe drugs. Pharmacists are not practitioners). The payments that must be reported include: honoraria and payments for expenses of a practitioner who serves as a speaker at a professional or educational conference or meeting; and compensation for substantial professional or consulting services of a practitioner working on a genuine research project. (See Minnesota Statutes 151.461 and 151.47). The report must identify the specific reason for payments totalling \$100 or more. In the column marked "Specific reason for payment", please list the reason for the payment. (e.g. "honoraria and expenses for speaking", "payment for research consultation", etc.). Do not list general reasons (e.g. "payments for consultation", "payments for services rendered"). Reports filed under this provision are public data.
