RE: Pfizer Inc Drug wholesaler, MN License Nos. (Please see attached list)

Dear Sir or Madam:

Enclosed please find Pfizer Inc's (Pfizer) report identifying payments to prescribers during the year 2008 in accordance with Minnesota Statutes § 151.47 subd. (1)(f). The enclosed report reflects Pfizer's good faith effort to disclose all payments made to prescribers in Minnesota by Pfizer Inc pursuant to § 151.461(3) to (5) of the statute.

Pfizer sponsors a variety of research conducted by outside healthcare providers to support its drug development initiatives. To ensure compliance with various laws and industry standards, all forms of research activities, including those related to clinical trials, must comply with the following criteria:

- a) Have a genuine scientific value;
- b) Include only investigators selected on the basis of criteria relevant to the research effort and,
- c) Involve compensation consistent with the value of the research actually provided

Pfizer contracts will full service contract research organizations (CRO) to manage study sites and investigators. In these cases, Pfizer makes the clinical trial payments to the CRO, which then pays the investigator or institution per agreement between the CRO and the investigator/institution. Thus, payments for clinical research services to CRO's are not included in this report.

In addition, this report does not include payments to a sponsor of a medical conference, professional meeting, or other educational program, since such grants

are not provided directly to a practitioner, but rather to an independent 3rd party entity.

During the reporting period, Pfizer also made payments to Minnesota medical practices for clinical trial activities. Pfizer's systems do not allow us to allocate these payments to a specific practitioner. Pfizer is reporting these payments at the medical practice level as additional line items at the end of the report.

Pfizer shall supplement this report should additional information become available.

Please feel free to contact me at 212 733 0066 if you have any questions about this report.

Sincerely,

A handwritten signature in black ink, appearing to be 'HL', enclosed within a circular scribble.
